

# Easton Archery Contingency Program

## Program Rules

1. To be eligible for contingency, you must be shooting Easton brand arrow shafts.
2. Competitors must be members in good standing with the tournament organization.
3. Participants must submit results to Easton within 90 days of tournament conclusion via website submission form.
4. There must be at least ten (10) competitors registered in a contingency-eligible class to qualify for payments in that class.
5. Only official eligible winners, determined by the tournament organization, will be paid contingency.
6. Contingency checks are typically issued every 60-90 days.
7. All contingencies listed in US Dollars.
